02 Rozite Data sheet

An impressionist landscape painting featuring a tall, dark green cypress tree on the right side. The foreground is a golden-yellow field with some green patches and small red flowers. The middle ground shows rolling hills in shades of blue and green. The sky is filled with swirling, textured clouds in white, blue, and yellow. The overall style is reminiscent of J.M.W. Turner's 'Rain, Steam, and Great Bridge' or similar Impressionist works.
