About Our *University*

St Joseph's University, Bengaluru, was established in 1882 by Paris Foreign Mission Fathers; the management of the college was handed over to the Jesuit order (Society of Jesus) in 1937. The college was first affiliated with the University of Madras and later with the Mysore and Bangalore universities. In 2005, it was one of five colleges in Karnataka that was awarded academic autonomy. In February 2021, St Joseph's University bill was presented in the Karnataka Legislative Assembly and was subsequently passed by the Legislative Assembly and Karnataka Legislative Council. The college received its University status on 2 July 2022 and was inaugurated as India's first Public-Private-Partnership University by the Honourable President of India, Smt. Droupadi Murmu. Here we try to create leaders for a better world, leaders deeply rooted in our philosophy "Fide et Labore" (a Latin phrase that means "Faith and Toil"), who commit themselves to excel in the fields they choose.

About EXODUS

Exodus was initiated in 1982 by Rev. Fr. Ambrose Pinto SJ and was organized by the Christian Student Associations. It is an Inter-collegiate Gospel Fest organized every year that is centered around honoring and emulating the love of Christ through the activities that take place under its banner. Students from all colleges in the region are invited to come and participate in the event by sharing their talents and experiencing the wonders of community-building. The purpose of EXODUS is to share the Gospel of Jesus Christ through various events that encourage students from different communities in their walk with Christly values. It is an excellent platform for students from different institutions to actively participate and celebrate God's love and promises to humanity. This year marks the 30th edition of EXODUS with the theme "The Covenant of Redemption." The covenant of redemption is a pact between the Father, the Son, and the Holy Spirit to redeem God's elect in which the Father agrees to give the Son a people to be his own and the Son, in turn, agrees to redeem these people so given to him and to serve as their prophet, priest and king.
