PIS LIGHTING

Founded in 1971 in Deurne, the Netherlands, Vescom's strength lies in beautiful, rich and stylish interior products to achieve functionality and appealing aesthetics.

VESCOM

With no compromise on design and no compromise on function, Vescom offers a wide array of innovative wallcovering, upholstery and curtain fabrics that appease the client's tailor-made requirements. Allocating importance to the product's intended purpose and the mood it creates, Vescom solutions bring you the best of both worlds. That's not all! Each and every product goes through a strict quality requirement check to make sure it's durable, easy to clean, fire-resistant, scratch and knock-resistant, safe, colorfast and lightfast. Vescom cares about the environment too! It relies on a rather sustainable production process, adopting a climate positive approach where factories work 100% CO2 neutral. Additionally, Vescom is ISO 14001 and ISO 9001 certified.

Founded by Mr. Chan Chong Beng and Mr. Thomas Gay in 1983, Goodrich Wallcoverings Pte Ltd became Asia's leading supplier of wallcoverings, fabrics, carpets and flooring materials.

Striving to be the leader in the industry, Goodrich boasts a team of motivated professionals who are committed to achieving excellence and creativity in all areas of their operations.

Their long term vision enables them to bring the best to clients by applying innovative technologies, sustain exceptional standards and create value for stakeholders.

To achieve client satisfaction, Goodrich Global invests in branding and takes part in virtually every aspect of the soft furnishing as well as the flooring industry: From production, sourcing, and distributing to marketing, branding and retailing.

Established in 1876, Bartoline limited is a privately owned family business and Europe's leading manufacturer of decorating sundries for the home improvement industry.

Bartoline offers a wide range of products including pre-packed paint solvents such as White Spirit, ready mixed and powder fillers, mixed wallcovering adhesives... Formulated for professional use and available in light, medium and heavy grades, Bartoline mixed wallcovering adhesives stand out for exuding high initial tack, good slip properties and powerful adhesion.

Bartoline takes pride in having its mixed wallcovering adhesives used in many hotel projects globally owing to a premium heavy grade formula performing up to 600g/SQM (22 ounce).

With a proven track record of planning, organizing, programming and resourcing complex objects, Astrea Group strength lies in the ability to create unique, commercial, contracting, interior design & fit-out construction solutions that are brought to life.

With the managerial staff competencies and vast experience, Astrea Group is capable of operating effectively and efficiently at all levels of client's organization.

M.R.H. Carpet

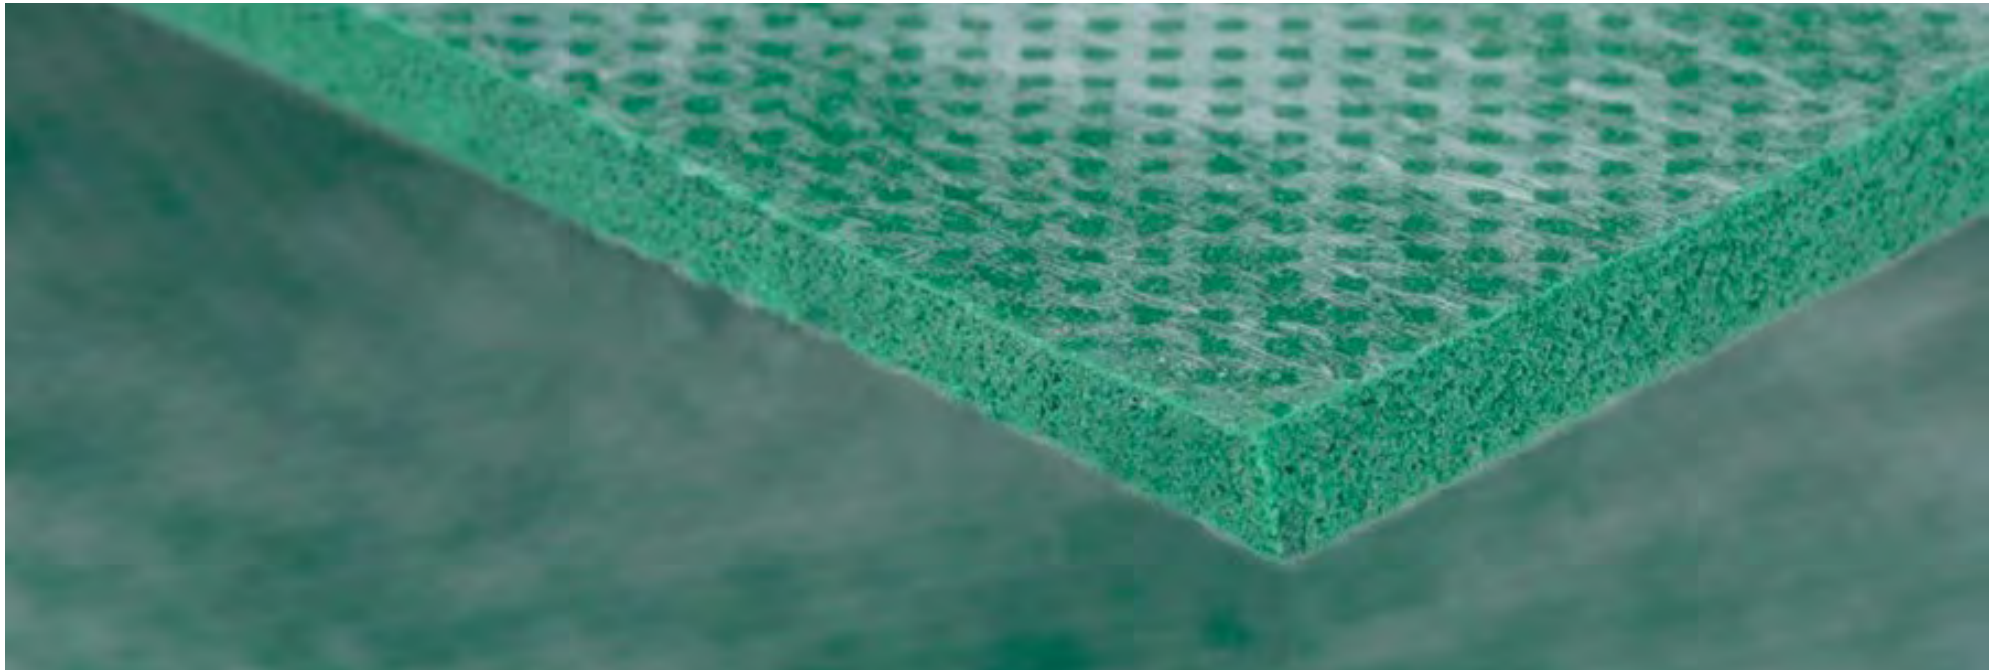

One of the best in the carpet industry, MRH Carpet is a combination of various worldwide companies all pouring their experience in one single entity. With 20 years of vast experience in carpet manufacturing, MRH manufactures premium carpets that are made with the best British and New Zealand wool, which is 100% natural and renewable, along with 6.6 American nylon.

What distinguishes MRH carpets from the rest of its competitors is the quality with which these carpets were manufactured; along with personalized designs that meet and exceed the pixel of carpets.

Established in 1958, HM Carpet Corporation is a national leading carpet manufacturer specialized in manufacturing, trading, scientific research & development. HM Group Corp is always striving to be perfect in every chain of the carpet industry.

HM Group Corporation introduced over 200 advanced carpet manufacturing equipment from Britain, USA, Belgium, etc. Its annual productivity reaches 10 million m² of Axminster, wire Wilton woven, Wilton, carpet tile, printed, piece-dye tufted and hand-knitted carpets; and over 10 thousand tons of nylon, polypropylene filament yarn and terylene filament yarn. HM is the second largest manufacturer in the World, producing 50,000 m² in less than Four weeks.

Tred-MOR[®]

Floor Cushion and Acoustic Systems

Servicing the hospitality and commercial market segments since 1961, Tred-Mor is a global manufacturer of sponge rubber carpet cushion and acoustic underlays, and takes pride in being part of Leggett & Platt, one of America's leading manufacturers.

Its products cover every price range: From entry-level to high-end luxury supplying more than 4 billion square feet of product to the global market.

The original Tred-MOR[®] carpet cushion was developed in 1985. That same year, the 1st Dubl-STIK[®] installation method was developed eliminating the buckling that occurred with heavy foot and rolling-wheel traffic.

Hospitality and commercial markets heavily rely on Tred-Mor as its products represent the gold standard for controlling noise, moisture and providing comfort.

PIS LIGHTING

Established in China in 2014, PIS Lighting alongside its production departments work rigorously in every production stage to accelerate the transition from one stage to the other, such as warehouse, drilling and metal processing workshops.
