The only way to get a scholarship is if you APPLY!

- Look through Powerpoint to see which scholarships you are eligible for, and mark your calendar with their deadlines.
- Get organized with what you will need to complete the application – transcript, SAT/ACT test scores, FAFSA information, Letter of recommendation(s), academic resume, and essay if required
 - Make sure you submit on time!
- Keep record of scholarships you are applying for. (Print submission receipts if available)
 - Some teachers may give you extra credit for scholarship application submissions
- Keep track of your scholarship award letters (even those offered to you from universities you do not plan on attending). Please provide me with a copy, so I can include it in our Scholarship Ceremony and booklet.
