# RAINFOREST WORLD MUSIC FESTIVAL

## THREE REASONS

### WHY THE RAINFOREST WORLD MUSIC FESTIVAL SHOULD BE ON YOUR BUCKET LIST. (23 - 25 JUNE 2023)

The Rainforest Music Festival is an annual three-day event, held at the Sarawak Cultural Village, Kuching. It celebrates the diversity of world music, showcasing a wide range of performances from traditional, to world fusion and contemporary world music. During the day time, the itinerary is filled with music workshops, cultural displays, craft displays, food stalls and more.

#### GET LIBERATED IN THE RAINFOREST WITH MUSIC

It is one of the most offbeat and unique festivals in the world as it's set in the Damai Peninsular of Borneo Jungle. Filled with a beautiful coastline and trees all around, this is a true rainforest.

#### HIDDEN TALENTS FROM AROUND THE WORLD

The performers at the Rainforest world music festival are international and varied. The performers are carefully curated to complement each other and that's not all, their music brings culture to the fore, amidst all the noise of pop music and globalization.

#### IT'S FAMILY FRIENDLY

It's music, happy people and nature. The Rainforest World Music Festival is a learning platform for kids about people, their culture, and heritage – we can't think of a better way for families to spend quality time together.
