Chem D | Cold Cure Live Rosin

HAZY HILL FARM • CHEM D COLD CURE LIVE ROSIN

CHEMDOG

- Hazy Hill Farm has become well known for our award-winning hash, and our cold cure live resin is a prime example.
- Chemdawg, or Chem D, or just Chem for short, is a potent hybrid that may lean indica in affect, but can be incredibly versatile for the experienced consumer.
- Chem D is great for calming racing thoughts, pain-relief, and general stress-relief. The terps are unmistakable, with a pungent & gassy profile you won't be likely to forget!

HIGHBROW • 10MG BLUEBERRY LEMONADE MINI'S

MADE WITH HASH ROSIN

- Highbrow is a Maine-based company known for their delicious infused beverages.
- The Highbrow "minis" offer the same great benefits of their higher-dosed flagship beverages in a one ounce convenient 10mg single-serve dose, easy to take along on your days adventures!
- We love the Blueberry lemonade for its refreshingly delicious flavor, plus it's made with hash rosin for a potent, well-rounded high.

HAZY HILL FARM • LEMON TREE LIVE RESIN CARTRIDGE

LEMON SKUNK x SOUR DIESEL

- Lemon Tree is a citrusy Sativa-dominant Hybrid created by crossing Lemon Skunk and Sour Diesel, two Sativa strains famous for their heady and uplifting qualities.
- Potent effects & sweet gassy flavor delivered in the same reliable high quality Hazy Hill Farm cartridge technology we know and love!
- Live Resin carts are a perfect way to enjoy Hazy products with a level of discretion and convenience that can't be matched!
