## HAZY HILL FARM - Chem D Flower

Many strains and flavors have come from the Hazy Hill garden over the years, but this Chemdog has remained a staple on our menu, with good reason.

Chemdog, or Chem D, or just Chem, for short, is a potent hybrid that may lean indica in affect, but can be incredibly versatile for the experienced consumer.

Chem is great for calming racing thoughts, pain-relief, and general stress-relief. The terps are unmistakable, with a pungent, gassy profile you won't be likely to forget.

## HIGH PEAK CANNABIS CO. SUGAR HIGHS

Sugar Highs are High Peak's award-winning cannabis-infused taffy's, the perfect edible for fans of starburst and hi-chews, or for any stoner with a sweet tooth!

High Peak is the sister company to Hazy Hill Farm, and the maker of some of Maine's most popular edibles!

Available in natural fruit flavors like delicious new Maine Wildberry, try Sugar Highs made with Hazy Hill Farm hash rosin for a potent, well-rounded high.

## HEALING HIVE COLLECTIVE - CBD LIP BALM

We may have emerged from the freezing chills of the winter months, but Healing Hive still has your chapped lips covered, and with some wonderful seasonal flavors!

Formulated with a super-smooth base blend of beeswax, lush mango butter, and jojoba oil, this balm has staying power to keep your lips feeling amazing!

Of course, as a Healing Hive product, it also stands out with a healthy moisturizing and restorative dose of naturally anti-inflammatory and antioxidant full-spectrum CBD!
