**Parents: Please sign up to work in the concession stand.**

The Houston Athletic Boosters organization plays an instrumental part in funding the athletic programs in the Hardin-Houston Local School District. The Boosters routinely spend as much as \$10,000 per year or more to help our athletic department meet its needs. Because of this, “pay to play” is not a part of our programs. Houston High School, through its athletic department, would like to extend its gratitude to the Houston Athletic Boosters and its members.

Your support of the concession stand and athletic booster fundraisers make it possible for the boosters to be so helpful to our school and community. Thank you for supporting the boosters. We encourage you to work in the concession stand. Please contact the boosters at

Houstonboosters@hardinhouston.org if you would like to become an active member or help out in any way. The boosters can be followed on twitter (@HoustonBoosters), FaceBook (Houston Athletic Boosters), and the Hardin-Houston Local School website (<http://hardinhouston.org/athletic-boosters/>).

## **Houston Wildcat Business Patrons**

The Houston Athletic Department would like to thank each and every business for their support of Houston Wildcat Athletics. The athletic department would not be able to function without the support of our wonderful Houston Athletic Boosters and the officers of that organization. In addition, the businesses listed below have helped support the athletic programs. The Houston Athletic Department and the Houston Athletic Boosters would like to thank these area businesses and recognize them as Houston Wildcat Business Patron.
