## Frequently Asked QUESTIONS

- **How Many Rooms Do We Need To Secure A Special Block Rate?:** 10 (or more) rooms.
- **What's Included In The Rate?:** Complimentary amenities include: A hot buffet breakfast, WIFI, and parking for every guest! You will also receive a custom reservation link, welcome bag distribution service, weekly rooming lists and up to 125 direction cards as part of your wedding block.
- **Do You Have A Shuttle?** We provide shuttle service for wedding blocks that secure **15** or more rooms on **the night of the wedding!** One trip each way (to the venue & back) in a 28-32 passenger shuttle is included. If needed, additional trips to and from the venue can be added at a cost of \$75 each way. Additional trips must be continuous for this rate. Larger shuttles of all sizes are also available at a reasonable cost to you.
- **Is Our Room Free?:** The wedding couple receives a complimentary Studio Suite for the night of their wedding when **15** or more rooms are booked within the block, on the night of the wedding.
- **Do You Have A Bridal Suite?:** While we do not have a designated bridal suite, we encourage you to considering reserving our hospitality room or a 2 bedroom suite – both are spacious options for your wedding party to get ready in! Catered outside food is welcome in either option.
- **What If Our Friends Or Family Book Outside Of The Wedding Block?:** We welcome guests to book however they feel comfortable. Please note that only rooms booked **within** the block will be counted towards the block total. If your friends or family book a rate on a third party website (Expedia, Hotels.com, etc.), their room will not included in the block count.
