# Isla Maroa

**Welcome to an innovative concept  
of restauration and leisure**

Maroa is the biggest leisure terrace of the Canary Islands with an extension of almost 3.000m<sup>2</sup>, located in the heart island, in the Mogán coast, Gran Canaria. It has fantastic weather during all year. Next to the heart island is found the Anfi beach and the Marina Narval, creating together a real paradise. The terrace is divided in optimized spaces for our different services.

**Solarium - Restoration - Chill Out - Events organisation**

**Accompanied is better enjoyed,  
celebrate it with your friends and family**

For friends meetings and celebrations, we have designed some packages with private areas in our chillout and an offer for groups. You just have to choose the best option for you, and we will take it into account to organize it for you to enjoy from the first minute.
