#### HAZY HILL FARM - HEADBAND

(OG Kush x Sour Diesel)

This strain is a powerful love-child made from two absurdly dank parents, Sour Diesel and OG Kush. It takes old school basement funk to a whole new level, giving the user a sense of spacey creativity with a cerebral sensation as if you're wearing a crown... or a hand band!

If you are seeking a super-unique strain with high THC levels that's both uplifting and comforting, Headband may be your best bet.

In honor of summer and sweaty head band days, this strain is our highlighted special of the month.

Pop in and grab some today so you can relax tonight!

#### HIGH PEAK - SUGAR HIGHS

Taffy by the beach? We think YES!

We are happily in the full swing of summer, and nothing screams that louder than eating taffy while enjoying a salty ocean breeze! These taffies are truly a unique flavor filled experience, and will certainly leave you wanting more (and more)

We offer two varieties:

Keep it traditional with flavors such as Strawberry, Lemon, Watermelon, Green Apple and Raspberry made with Full Spectrum THC

OR

Kick it tropically with flavors such as Piña Colada, Papaya, Mango Lime, Guava and Passion Fruit made with Hazy Hill Farm strain specific *Strawnana* hash rosin

Pack your Hazy tote bag with these delicious taffies and enjoy them beachside!

#### HEALING HIVE COLLECTIVE

Four Sisters Everything Salve

The *best* remedy around for bug bites, bee stings, and minor injuries!

Castor and Olive Oils are slow-infused with Wildcrafted Comfrey, Plantain, Yarrow, and Goldenrod. These "four sisters" work together to heal damaged tissue quickly, relieve itching and burning, provide antiseptic and antimicrobial qualities, and lessen inflammation.

50mg of Full Spectrum CBD works on pain and inflammation while helping the body absorb the other beneficial ingredients via the cannabinoid system. Added Vitamin E, Lavender, Geranium, and Camphor Essential Oils work to soothe and protect the skin.

Come explore our star studded CBD line-up and experience the relief!
