

Technical Sheet

Fabric

**MATIAS &
ARAÚJO**

INNOVATION KNITTING

Referência/Reference: Mat-3282G Bege Brilhante

Composição/Composition: 30% Cotton 70% Polyester

Acabamento Tecnológico/ Technological Finish: Eggshell

OF: 52379.02

Preço/Price:

Parâmetros Técnicos:

Technical Parameters:

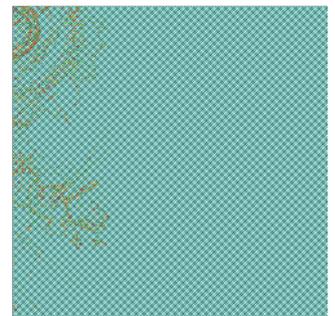

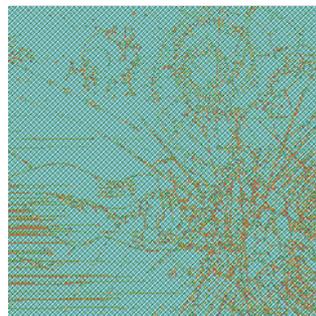

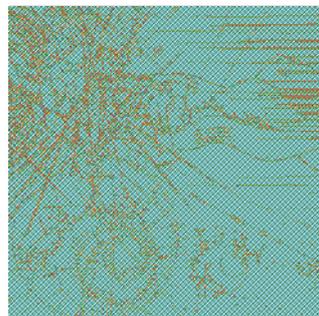

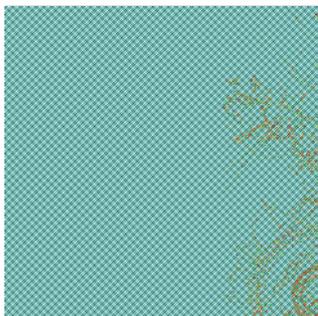

Gr/m²: 290 gr/m² +/- 5%

Largura/Width: 2.35 mts +/- 2%

Machine wash on 30° Iron Medium Heat Do not bleach Do Not Tumble Dry

DESIGN:

COTTON

O algodão é uma fibra natural de origem vegetal ecológica e biodegradável. Tem como principais características a sua suavidade, conforto e durabilidade. Apresenta uma boa capacidade de absorção e secagem rápida.

Cotton is a natural fiber of ecological and biodegradable plant origin. Its main characteristics are its softness, comfort, and durability. It has a good absorption capacity and quick drying.
