THE MAGIC OF LIGHT (2020)

by Daniel Lonie

World Premiere

The Magic of Light was composed in memory of Erin Albrecht (November 15, 2004 - August 10, 2019), a beloved member of the Hopewell Orchestra viola section for three years. We were devastated to learn of her tragic passing after an auto accident in the summer of 2019.

Mr. Daniel Lonie, violist, retired Orchestra teacher, and composer graciously agreed to capture Erin's quirky approach to life and giving, generous spirit in a new piece written for middle school orchestra.
