Winner IMA Middle East Course Providers Competition

***IMA** is the worldwide association for accountants and financial professionals working in business and is committed to helping its members to expanding their professional skills, better manage organizations and enhance their career.

Rahul Thomas - CA, CPA | RakBank

"...the hallmark of the institute is undoubtedly Hari Sir's classes – His blend of Conceptual clarity and Understanding of the subject matter coupled with his diversified practical experience and occasional humor makes the classes nothing short of brilliant. Outside the classroom Ponni Madam makes Emerge feel more like a home rather than just an educational institution with her patience, energy and enthusiasm in dealing with us and her warm, pleasant and absolutely down to earth demeanor right from the very first meeting. The support staffs including Charmaine, Joanna and Rose are always very helpful, pleasant and ready to answer any of your queries..."

Cyril George - FCA, CPA | Chief Accountant, Prime Projects International, Dubai

" I met Sir Hari a year ago with a desire to get a US accounting certification. A short conversation convinced and motivated me to choose CPA. His classes were so lively and printed notes acted as a ready reckoner during exam preparation. I am thankful to Emerge for the guidance and support rendered throughout the course. "

Sindhu Nair, B.Sc., CMA | Manager - Accounts & Admin, Deugro Emirates Shipping LLC

" ...Sheer determination to be a CMA combined with Sir Hari's guidance and the support from entire Emerge team made this possible for me. Sir's class handouts, amazing charts, mnemonics, exam tips etc. helped me structure my studies, without which it wouldn't have been possible to clear both parts in one window. Lot of knowledge and the practical strategies gained from Sir, have not only helped me get through CMA, but have also guided me sail through my current work place situations. Special thanks to Ponni ma'am for her patience and the admin support..."

Praveen Sequeira - M.Com, CPA | Group Finance Manager, Gourmet Gulf LLC

"The destination CPA would have been just in my dreams without Emerge, Sir Hari's quality lectures, the quality and adequacy of content. Sir Hari has explained concept so well with mnemonics that it would take bare minimum time to sync in the concept and to retain it forever. Moreover, his own real experiences in corporate world made it easy to understand any concept..."

Ana Carina Adea, CMA | Management Accountant, Alderley FZE

"I want to extend my deepest gratitude to Mr. Hari for his excellent way of delivering the program. He's able to simplify difficult concepts which assist students who took long study breaks and got lesser study hours due to work and family commitment. If you want to pass in your first attempt trust Emerge methodologies, listen and actively participate in the classroom lectures, do your homework regularly, take all the mock exams then practice, practice, practice. A special thanks to Ms. Ponni as well for the encouragement placed upon me, if it wasn't for her I still won't have the guts and confidence to take the exam."

Bobby Chacko, EMBA (Fin), CMA | Manager – Budgeting & Reporting, Jafz Fze & EZW

"...There are many institutes which offer such classes. All can only provide an atmosphere and the means to achieve Students educational goals. But one has to decide and take the plunge themselves. What is most striking and different about Emerge is the method recommended by Hari Sir for approaching CMA studies. If a student follows the method, there is no way he / she cannot clear the exam, provided enough work is done by themselves. The Staff of Emerge is also willing to stand by and help as and when required..."

Marizon Arquitola, CMA | Project Accountant, WS Atkins

"... Sir Hari's handouts, mock tests and homework are more than enough plus Wiley's test banks. I always ensure I never miss sir Hari's lecture class. Emerge has prepared me to be confident. With Emerge's help and support, coupled with dedication and commitment to your goal of becoming a CMA, no doubt anyone can become a CMA. To God be the glory. To the one who's reading this, be inspired, enroll at Emerge, study hard. I used to be the one reading the testimonials and by choosing Emerge, now I am the one making the testimonials."

Nausheen Khan, CMA | Assistant Financial Manager, JAFZA

"What can I say? Emerge, for sure is one of the best institutes for learners seeking CMA certification can approach. Sir Hariharan has an excellent teaching technique, which if followed by one, will surely "Emerge" in his career. His Guidance, Motivation & Appreciation throughout the course has personally given me enormous confidence.

Special Thanks to Madam & the entire admin staff for making this possible for me & helping me in achieving this landmark."
