

## WORSHIP / AV MINISTRY STAFF JOB SUMMARY

### **1. Worship Ministry (Primary Duty)**

Work with the worship committees to provide effective long term support structures to meet TPCMC's three worships' planning, organisation and execution needs.

### **2. AV Technology Management**

Oversee the church's AV hardware requirements to ensure that regular service is not disrupted, especially after use by different groups.

### **3. Special Events Management**

Support the pastoral team and project committees to catalyse the organisation of and the successful implementation of key projects. The key projects include evangelistic events, church or congregational camps, church anniversary celebrations, Easter and Christmas celebrations etc.

### **4. Strategic Plan Alignment**

Co-ordinate and align various service-related groups to achieve strategic intent.
