

FAEMA

OFFICIAL DISTRIBUTOR

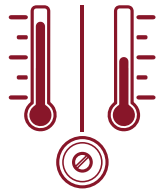

SENSUM is a brand based on custom-tailored approach to the client and novel perception of the usual. We provide services in several segments, united by the common idea of awakening your senses and emotions. **SENSUM** is an official partner and distributor of Faema Espresso Machines, Slayer Espresso Machines, Mahlkonig Grinders, Anfim Grinders, Ditting Grinders, PUQ-Press Automatic Tamper, Loveramics ceramics and MTPak packaging products

FAEMA

FAEMA is an Icon of Milan.

Its beautiful and surprising products are true masterpiece, memorable and offer an extraordinary stage for those who use them. **FAEMA** is a technology at the service of the bartender. It's the pleasure of experimenting, expressing oneself and one's art every in a special, intimate relationship with the machine and the customer.

Coffee Management

FAEMA ADJUSTABLE THERMAL BALANCE SYSTEM

FAEMA's adjustable thermal balance system allows to regulate the water temperature and to adapt each group to different blends of espresso coffee.

FAEMA NEW FILTER HOLDERS

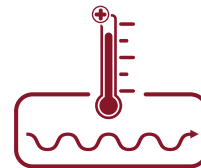

FAEMA's coffee machines feature an innovative micrometric spout, which guarantees the two cups. Every portafilter comes with a screw that enables users producing drinks. They are available in two versions; stainless steel and brass (standard).

Milk Management

MILK PS

Allows a consistent in-the-cup milk dose, customizing milk temperature for each selection and ensuring high quality of the milk cream.

SMART BOILER

This patented innovation makes it possible to manage the accumulation of energy conserved in the boiler to enable a constant maximum steam and water supply even when machine is undergoing intensive use. This eco-friendly technology means that the barista will never be in a situation where there is an insufficient steam flow to make the required drinks.

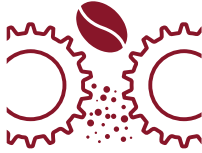

TELEMETRY

This technology enables data communication and remote monitoring of all the machine's functions and performance via a Wi-Fi connection.

INNOVATION

TECHNOLOGIES OF FAEMA PRODUCTS

User

PGS

For automatic adjustment of the grinding in traditional and super-automatic machines.

RUVECOTECK (FOOD SAFETY)

In order to ensure maximum food safety, Ruveco Teck treatment is the process that drastically reduces the quantity of metal in the drinks delivered.

CAPTION

PROCESS CERTIFICATION

ISO9001: Certification of the quality management system. OHSAS18001: Certification of the occupational health and safety management system. ISO 14001: Environmental management certification.

PRODUCT AND SAFETY CERTIFICATIONS

Safety certification and testing of consumer and industrial products and components.

The UL-EU Mark certifies that the tested products comply with the European (EN) standards. The Mark applies to both electrical and electronic products and components intended for use in Europe.

The D-Mark is a safety mark registered and provided by UL-Demko.

With the CE mark, which is obligatory in the European Union member countries, the manufacturer states that the individual product is compliance with the general safety regulations in the CE-marking directives.

The Eurasian Conformity mark indicate products that conform to all technical regulations of the Eurasian Customs Union. EAC-marked products meet all requirements of the corresponding technical regulations and have passed all conformity assessment procedures.

HYGIENE, HEALTH AND ENVIRONMENT

It certifies the hygienic quality of machines intended for production of food and beverages.

All the machine components in contact with water and steam undergo the Ruveco Teck coating process which drastically reduces the risk of release of metals in the delivered beverages.

It certifies that the electrical and electronic equipment do not contain levels of lead, cadmium, mercury, hexavalent chromium, polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDEs) above the legally permitted limit.

IN-THE-CUP QUALITY

Istituto Nazionale Espresso Italiano.

SALES CONDITIONS

- Goods packed in standard cardboard boxes
- Retail prices.
- Valid from January 2022.
- 12 Month Warranty.
