## **So Everyone Can Enjoy The Concert**

**\*Please remain in your seats for the entire performance. If you must exit the performance area, please try to do so between musical selections and as quietly as possible. Please follow this program.**

**\*Please remain quiet while musicians are performing. If you have small children with you, please help to keep them quiet during the performance. If you must exit the performance area during the concert to help settle a child down, please do so in between musical selections.**

**\*Please do not take pictures with a flash during the concert.**

**\*Please show your appreciation for the performers on stage with applause.**

**\*Please turn off sound on all electronic devices.**

## **After The Concert**

**\*Performers will come out of the stage area a few minutes after the performance has concluded. At this time it is ok to leave using the double glass doors to the right of the stage. Parents and friends: please do not wait on the ramp leading to the music area. You are welcome to stay and watch the other performances.**

## Important End of School Year and Over The Summer Items

If your student is currently in the Beginning Band or 7th Grade Band, and plays a **school owned** instrument, they will be able to keep it over the summer. If something on the instrument does not work correctly over the summer or breaks, contact Mr. Bode by email and he will contact CA House Music. Mr. Bode will notify you that it is ok to take it to the shop for repair, free of charge. If you are moving, the school owned instrument must be returned to the school before the end of the school year or prior to you moving.

If your student is currently in the 8th grade band:

\*and plays a school owned instrument, the instrument from home must be returned to school between May 17th and May 20 *in working condition*

\*high school forms should be returned to Mr. Factor immediately

### All students:

\*beginning band will still be playing through Thursday, May 26th and will need an instrument at school

\*7th grade band will still be playing through Wednesday, May 25th and will need an instrument at school

\*8th grade band will still be playing through Wednesday, May 25th and will need an instrument at school

All personal instruments will need to go home over the summer. Those renting instruments should not return it to the store. You will lose all of the money that has been put towards the purchase.

Students currently in the Beginning Band and 7th grade band:

Please consider joining the Lancaster / Fairfield County Summer Youth Band. This is a great low commitment way to keep playing your instrument for part of the summer. This group is a lot of fun to be a part of!
