Hi, my name is Katie Archer and I will be attending Penn State University in the upcoming fall. I will be majoring in architecture where I will be able to utilize everything I have learned being a part of the West Morris Central Art program in my everyday studies.

Hi! My name is Abby Brown and I will be attending the college of New Jersey in the fall semester. I am majoring in art education in the hopes of getting a job in secondary education. Art has been in my life for as long as I can remember. My mom is a art teacher and has inspired me to continue my passion for art far beyond high school.

Hi! My name is Brianna Gallucci, and after high school I plan on attending the County College of Morris for two years, then transferring to Montclair State University. I am majoring in Psychology with the hopes of becoming a child psychologist one day. Art has been in my life for as long as I remember, and I plan on continuing it as a minor in college. Art has taught me so many things, one of the most important things being to enjoy the process rather than focusing on the final result.

🕶️🔥 What's up 🔥🕶️! I'm attending Rose-Hulman Institute of Technology and majoring in engineering design 🙌. I've been a part of the WMC art program for 4 years and plan to continue pursuing art in college. During my years at West Morris I've seen vast improvement in my artwork which has helped me decide on my major and possible future career. The WMC art department is great and made me discover a more creative side to myself.

SEBASTIEN HUGHES

I will be attending High Point University which is located in High Point, North Carolina in the upcoming fall. As of right now I am going in undecided but I am thinking about going into a science major as well as joining some art electives or possibly even minoring in art.

KAYLA ROBINSON

Hi! My name is Kirsten Seto and I will be attending New York University's Gallatin School of Individualized Study. I plan on creating my own major in international management and marketing with a concentration in fashion and art history. Actually, my ib extended essay on the impactfulness of visual art arts in terms of cultural or subcultural context that I was mentored on by Mrs. Najjar helped me develop my future major.

KIRSTEN SETO

Next year I will be attending The College of William & Mary in Williamsburg, VA. I am thinking of majoring in Environmental Science & Policy and minoring in Art History. I'm so happy to have been involved in the art department these past few years and can't wait to continue my art journey in college!
