Welcome to *BEYOND OZ: The Concert*. We are delighted to be back at Oran Mor following the sold out DRIVE LOUNGE: Volume 5 & 6 for TWO nights with our first concert. When Oran Mor approached us with this idea, we knew it would be our biggest challenge yet. With the help of an amazing team and incredible performers - this one is set to be very special. Ahead of the release of the highly anticipated movie musical *Wicked: Part 1*, we are celebrating all things OZ with this concert celebration of *Wicked*, *The Wizard of Oz*, *The Wiz* and songs from the Stephen Swartz songbook.

DRIVE OFFICIAL's mission statement is to support Scottish Musical Theatre and the wealth of talent Scotland has to offer. If you are interested in performing at our future cabarets and concerts please express your interest via our Performer Directory which can be found at linktr.ee/driveofficial

Thank you for the continuous love and support!
