**PERSONAL STATEMENT:**

I have played softball since I was 6 years old and to this day still have a great passion for it. I am currently a junior at Franklin HS in Elk Grove, Ca. I have always had a drive for the game, waking up early for speed and agility training during the summer to lifting before school. My ultimate goal is to play softball in college, be part of a team that competes together, celebrates wins, and learns from losses. I am a catcher primarily but also excel in the outfield. My coach frequently comments on my arm strength and the accuracy of my throws. Every week, I dedicate time and practice consistency on fine tuning my skills by attending catching and hitting lessons. My academics are also important to me. I strive and take pride in being the best student I can be. I have not always been the tallest or strongest player on the team, but I have never let that stop or hinder me to perform at the level I expect of myself or that of my team.
